

ಶ್ರೀ ಬಿ. ಪುಟ್ಟಸ್ವಾಮಿ.—ಮೂಡಿಗೆರೆ ತಾಲ್ಲೂಕಿನಲ್ಲಿ ನುಮಾರು 9 ಕ್ಕೂ ಮೇಲ್ಪಟ್ಟ ಹೈಸ್ಕೂಲ್‌ಗಳಲ್ಲಿ ಫೀಡಿಂಗ್ ಅರೇಂಜ್‌ಮೆಂಟ್ಸ್ ಇವೆ ಎನ್ನುವುದು ಸರ್ಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ ?

ಶ್ರೀ ಎ. ಆರ್. ಬದರಿನಾರಾಯಣ್.—ಎಷ್ಟು ಹೈಸ್ಕೂಲ್‌ಗಳಲ್ಲಿ ಫೀಡಿಂಗ್ ಅರೇಂಜ್‌ಮೆಂಟ್ಸ್ ಇದೆ ಎನ್ನುವುದು ಗೊತ್ತಿಲ್ಲ.

ಶ್ರೀ ಬಿ. ಪುಟ್ಟಸ್ವಾಮಿ.—ಈಗ ಜೂನಿಯರ್ ಕಾರ್ಲೇಜನ್ನು ಸ್ಥಾಪನೆ ಮಾಡಬೇಕಾದರೆ ಏನೇನು ಅರ್ಹತೆಗಳು ಬೇಕೋ ಆ ಅರ್ಹತೆಗಳು ಮೂಡಿಗೆರೆಯಲ್ಲಿ ಇವೆ ಎನ್ನುವುದು ಸರ್ಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ ?

ಶ್ರೀ ಎ. ಆರ್. ಬದರಿನಾರಾಯಣ್.—ಎಲ್ಲೆಲ್ಲಿ ಹೈಯರ್ ಸೆಕೆಂಡರಿ ಸ್ಕೂಲ್‌ನಲ್ಲಿ 11 ನೇ ಸ್ಟಾಂಡರ್ಡ್ ಇವೆಯೋ ಅಂಥಾ ಕಡೆ 12ನೇ ಸ್ಟಾಂಡರ್ಡ್ ಕೂಡಬೇಕೆಂದು ಮಾಡಿದ್ದೇವೆ. ಈ ರೀತಿ ಜೂನಿಯರ್ ಕಾರ್ಲೇಜನ್ನು ಅಲ್ಲಲ್ಲಿ ಸ್ಥಾಪನೆ ಮಾಡುತ್ತೇವೆ. ಆದರೆ ಬರೀ ಹೈಸ್ಕೂಲ್ ಇದ್ದ ಕಡೆ ನಾವು ಜೂನಿಯರ್ ಕಾರ್ಲೇಜನ್ನು ತೆರೆಯುವುದನ್ನು ತೆಗೆದುಕೊಂಡಿಲ್ಲ. ಆದುದರಿಂದ ಮೂಡಿಗೆರೆಯಲ್ಲಿ 11 ನೇ ಸ್ಟಾಂಡರ್ಡ್ ಇಲ್ಲದೇ ಇರುವುದರಿಂದ ಅಲ್ಲಿ ಜೂನಿಯರ್ ಕಾರ್ಲೇಜನ್ನು ತೆರೆಯುವುದಕ್ಕಾಗಲಿಲ್ಲ. ಆದಾಗ್ಯೂ ಕೂಡ ಮೂಡಿಗೆರೆಗೆ ಒಂದು ಕಾರ್ಲೇಜನ್ನು ಕೊಡಬೇಕು ಎಂದು ಸ್ಟೆಪರ್ ಆಗಿ ಕನ್ನಡರ್ ಮಾಡುತ್ತಿದ್ದೇವೆ.

Sri B. B. SAYANAK.—May I know when the Government received representations from the Taluk Boards and Town Municipal Councils and when the private body applied for and why the Government is encouraging a private body ?

Sri A. R. BADARINARAYANA.—This is a Taluk Board High School which has been handed over to the Government. It is a Government High school. It is not an eleventh standard higher secondary school. We have not taken any high school for being converted into college.

Sri B. B. SAYANAK.—When did the Government receive representations from the Taluk Board and Town Municipal Council and when did the Government receive application from the private body and why are the Government encouraging it ?

Sri A. R. BADARINARAYANA.—We have not encouraged anybody.

Sri M. MALLAPPA.—How many eleventh standard schools have been upgraded as Junior Colleges in the State ?

MADAM SPEAKER.—It does not arise.

Electrification of Villages in Arsikere Taluk

37. Sri H. S. SIDDAPPA (Arsikere).—

Will the Minister for Public Works and Electricity be pleased to state :—

the number of villages taken up for electrification in Arsikere Taluk during the current year and the basis adopted for selection of villages for electrification ?

Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

Fifty-five Villages of Arsikere Taluk have been included in the village electrification programme approved for 1971-72 and 1972-73.

The programme has been drawn up to include all economically feasible villages *i. e.*, which yield a minimum revenue return $7\frac{1}{2}$ per cent on the capital cost and are within $1\frac{1}{2}$ Kilometres of the existing distribution lines.

Sri H. S. SIDDAPPA.—May I know who prepared the electrification programme for 1971-72 and 1972-73 and who approved the programme?

† **Sri H. M. CHANNABASAPPA**.—Mysore State Electricity Board prepares the programme and Government approves it.

Sri H. S. SIDDAPPA.—Are the Government aware that this programme was prepared in the absence of the popular ministry and it was prepared according to the whims and fancies of the Mysore State Electricity Board?

Sri H. M. CHANNABASAPPA.—Government means Government, whether it was prepared at that time or any time, it all depends upon the people.

Sri H. S. SIDDAPPA.—Will the Government reconsider the programme in view of the popular desire of the area and recast the same?

Sri H. M. CHANNABASAPPA.—Recently orders have been issued that in order to accelerate the rural electrification programme cost of sub-transmission lines should not be charged in respect of such villages which are remunerative. In view of this probably many of the villages will come up to our expectations and it will be speeded up.

Sri H. D. DEVE GOWDA.—Is it not a fact that orders have been issued by the M.S.E.B. not to proceed with the works on account of paucity of funds?

Sri H. M. CHANNABASAPPA.—That does not pertain to this question. This question pertains to rural electrification of Arsikere Taluk and so far as Arsikere taluk is concerned, the programme will be gone through.

Sri H. S. SIDDAPPA.—It is stated in the reply that all the villages that come within $1\frac{1}{2}$ k.ms. of the existing distribution lines will be electrified as early as possible. The list sent from my constituency to the M.S.E.B. which comes within the radius of $1\frac{1}{2}$ k.ms. Of existing distribution lines, are not taken up for electrification so far. Would the Government state the reason for this and would they promise on the floor of this House that such villages would be electrified?

Sri H. M. CHANNABASAPPA.—There are two conditions. It is not only $1\frac{1}{2}$ k. ms. distance but also they should be economically feasible. If both points are answered I am going to take them up.
